Red Line® Synthetic Oil Corporation is the world leader in lubricant and fuel system chemistry. The only oil company to use 100% poly-ol ester base-stocks to provide unbeatable oil performance and durability, with no compromise. Used in Formula 1, F3000, ChampCars, GTs, NASCAR, Touring Cars, on-road, off-road, 2-wheels, 4 wheels, watercraft, hovercraft and aircraft: the same leading edge technology is available to all Red Line® users. Inventors of unique products such as Water Wetter™, LikeWater™ and ShockProof™ gear oil, Red Line® are dedicated to producing the worlds finest synthetic lubricants and additives. Products designed for performance. Red Line® are pleased to support the new RGB race series, with product prizes for the winners in each class.

First introduced in 2001, the 750 Motor Club series for Roadgoing bike-engined cars (RGB) is for two-seater cars which must be road legal and capable of passing an MOT. Cars may be constructed specifically for the series or may be one of the many motorcycle engined cars currently available from a wide range of kit car manufacturers. The engines must be series-production four-stroke units and may not be modified from standard; they run in three classes; standard Fireblade engined kit cars (class C), up to 135 bhp (class B) and 136 to 180 bhp (class A). The series is supported by FISHER SPORTSCARS.

The 750 Motor Club Formula 4 Championship provides the technical sophistication of slicks and wings in an affordable single seater championship. Class A allows any design of chassis and caters for the designer/constructor as well as for cars converted from F3, FFord, FF2000 and Formula Renault; all must use the 1600 CVH Ford engine. Class B is for FF2000 cars built prior to October 1983, class C for pre Dec '80, running to the former FF2000 regulations and Class D is for pre 1999 Formula Ford Zetec cars.

750 Formula	Peter Knipe	1:39.838	85.17	21/04/01
Formula Vee	Trevor Welsh	1:35.32	89.20	13/05/00

750 Formula is for lightweight two-seater sports racing cars and was originally introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the budding amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits; alternatively there are often suitable cars available for sale from within the formula.

The Primrose Engineering Mono Championship is for single seater racing cars, either self-built or 4 year old factory-made cars such as Formula 3, Formula Vauxhall, Formula Renault, Formula Ford 2000 and Formula Ford 1600 or certain specified chassis of any age in five classes. The choice of engine includes 2 litre Ford Zetec, Vauxhall 16 valve, 1200 and 600cc motor cycle derived and Formula Ford 1600. Power output is about 180 bhp in Mono 2000, 130bhp in Mono 1800, 110bhp in Mono 1600 and 160bhp in Mono 1200, a true challenge for any competitor. The championship is exclusively for amateurs whose enthusiasm is evident in the high standard of car preparation.

The fastest 30 qualified drivers will take part in the race.

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

CLUB MOTORSPORT AT ITS BEST

The 750 Motor Club is one of the foremost organisers of race meetings in the UK and is committed to promoting the benefits and enjoyment of motorsport through its various activities. The Club runs over 20 race days each year at most major racing circuits, including Mallory Park, Brands Hatch, Donington, Silverstone and Oulton Park. These race days cater not only for its 11 championships, but also for the annual Birkett Relay race, the only Team Relay race in the UK. Other activities organised within the Club include Sporting & Production Trials, the National Austin 7 Rally at Beaulieu and, for those not wishing to compete but still wanting an active and vital role in motorsport, a Marshals Register. Whatever your interest in motorsport you will be welcomed by fellow members sharing your enthusiasm and willing to offer advice and support.

MARSHALLING

Today's race meeting could not happen without the devotion of individuals who give up their time to assist in the safe running of the meeting. Observer, flag, course, fire, rescue, pits, paddock and startline - all are UNPAID professionals who give a lot to motor sport and without whom neither this event, nor any other, could take place. If you are interested in being involved, please complete and return this page to:-
