Demon Tweaks/Yokohama Stock Hatch Championship

The Stock Hatch Championship, is in its 8th year & continues to be the most popular championship in the UK. Modifications are strictly limited to basic rebore and blueprinting along with the use of standard gearbox; ignition systems are 'free'; suspension mods are limited to lowering and uprating of springs and dampers; brakes remain standard with free pad materials; a 'control' Yokohama A539 tyre and a weight penalty for leading cars ensures close racing at very affordable cost.

750 Motor Club Formula Vee Championship

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

750 MC Roadsports & 7 Championships

If it's a sportscar produced in a reasonable volume, it's probably eligible - there is no more varied a Championship for sportscars in the UK and its split into separate classes based generally on engine capacity/car type.

Engine must be original fitment, but crank, rods, pistons, camshaft, induction and exhaust are free; head mods are permitted; add-on forced induction is not permitted. Power outputs will vary between 100bhp in the small class, to getting on for 350+bhp in the big V8s. Transmission must be a production-car gearbox. Close-ratio gears and LSD are permitted, traction control is not.

750 Motor Club 750 Formula Championship

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Reliant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Reliant engine. All cars run on a control Yokohama slick tyre.

Virgin Radio Classic Rock "Equipe" GTS

We welcome a capacity grid of superb period improved and FIA historic road sports cars for round two of the Virgin Radio Classic Rock "Equipe" GTS. Tom Smith won the previous race at Snetterton in the MG Motorsport prepared MGB by the narrowest of margins from the leading hoards of fellow MGA and MGB drivers. Watch out for Allan Ross Jones or Simon Watson's Triumph TR4s or maybe the more nimble Lotus Elite of Brian Arculus or Rod Begbie's TVR Grantura to upset the majority rule at this event.

The photo above was taken at the end of September last year, at the launch of our new Championship for 14 – 17 year old drivers and, at that time, these were the only cars in existence.

Since then, interest in the Championship has accelerated beyond our expectations to the extent that we now have now fewer than 30 registrations.

We are delighted that we have over 20 cars entered for this inaugural race, which is testimony to the hard work put in by volunteers within the 750 Motor Club in putting the championship together and to the efforts of the parents and drivers in getting it done in time.

750 MC ~~SAXMAX~~ Championship

New for 2006 is the 750 Motor Club's championship for Junior drivers, aged 14 – 17 years. The car chosen is the Citroen Saxo VTR with very strict limitations on tuning and very specific safety features in accordance with MSA and FIA standards. The cars run with a control Piper camshaft, a control ECU and all run on the Yokohama A539 tyre supplied by George Polley Motorsport.

The Donington Park Racing Association Club

*Donington Park's
independent
supporters' club*

The DPRAC is pleased to support today's 750 Motor Club meeting at Donington to the tune of **£1,000** – most of which will be awarded in prize money to class winners.

The money comes from the Club's **Race Fund**, which is used to help encourage "grass roots" motorsport at Donington Park. Later this year the New Era motorcycle meeting will also benefit.

The DPRAC is also committed to the safety and welfare of competitors, and through its **Welfare Fund** (a registered charity) has provided thousands of pounds' worth of rescue and medical equipment for use at the circuit. The Club also helps injured competitors – those who are unfortunate enough to be hospitalised are visited by DPRAC committee members early in their stay and are given £100 in cash to help their immediate needs, or to help their family and friends to visit.

DPRAC members themselves benefit from concessions on admission, discounts on racing tuition and other goods and services, and opportunities to ride and drive the circuit. The Club also has a private enclosure at the top of the Craner Curves (although today they are based in the Monza Suite instead). And all for just £13 a year, or £21 for joint membership.

To find out more, visit us in the Monza Suite (above the pits), or contact the club secretary, Tony Gamble, at 80 Baldocks Lane, Melton Mowbray, Leics. LE13 1EW (telephone 01664 852902, e-mail tony@dprac.co.uk).
