## 750 Motor Club 750 Formula Championship

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Reliant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Reliant engine. All cars run on a control Yokohama slick tyre.

## **750 Motor Club A7 Triple Challenge**

Sevens first raced in 1923. Bill Boddy kicked off the Seven Fifty Motor Club in 1939 and the first Austin 7 race (Formula 750) took place at Silverstone in 1950. Raceworthy components became scarce and Austin 7 racing declined during the late 1970's. The **Austin 7 Triple Challenge** is held in celebration of those pioneering days. Austin 7 racers from all eras are once again on the track displaying the traditional spirit of friendly, but resolute, competition. Handicap results are calculated after the finish by applying a performance-related allowance to each car.
