750 Motor Club Locost Championship

The 750 Motor Club Locost Championship is for cars built to the same basic design and using a standard Ford 1300 cc crossflow engine, gearbox and many other standard components. All cars run with a 'control' camshaft from Kent Cams; modifications are limited to a rebore and basic 'blue-printing'. There is also a 'control' tyre, the Yokohama A539. There is free choice of spring rates and anti-roll bars; dampers must be steel-bodied and single-adjustable.

750 Motor Club Formula Vee Championship

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

Premier Choice Group 750 Formula Championship

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Reliant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Reliant engine. All cars run on a control Yokohama slick tyre.

750MC Volkswagen Golf GTi Mk2 Series

In August last year a group of VW Golf enthusiasts (Adam Stevenson, John Hillon, Andy Walker and Phil Bowler) started talking to the 750 Motor Club about running a series of races for the VW Golf GTi Mk2. Skeleton regulations were drafted and amended several times along the way, but the result is obvious here today that the series has great potential. The supply of cars and spares is plentiful, as a standard vehicle it has good handling & performance, it is relatively 'bullet-proof', so it is an ideal car for a low cost one make series. All cars run on Toyo tyres, have a Newman control camshaft in otherwise standard engines and have minimum weights for the two classes (8v & 16v).

Although the Club had been involved in the early days of Mini 7 racing, its first 'solo' venture into tintops was Hot Hatch, in 1994.

After a while, the cost of preparing a competitive Hot Hatch car (and keeping it running) were beginning to take their toll, so the 750 Motor Club's Technical Committee started work on the creation of Stock Hatch, which was basically the same cars but in majoritively standard (Stock) specification. Many club members were involved in the creation of the rules, so it's not all my fault.

After a good deal of 'full and frank' discussions, Stock Hatch was launched as a class of Hot Hatch for the 1997 season. A 'cunning' twist saw Stock Hatch having 1 less round than Hot Hatch, thereby creating a Stock Hatch champion in its first year.

With average entries of 22 in 1997, progress to a stand-alone championship in 1998 was guaranteed.

In its 10 years of running, average registrations have been over 120 and average entries over 60. It has also brought a raft of newcomers into the sport and provided enormous entertainment.

Stock Hatch could not exist without a lot of volunteers, committee members etc; to these and all its competitors I extend my thanks for helping make the championship what it is - surely the most popular tintop championship in the UK, maybe the world.

Robin Knight (750 Motor Club Competitions Secretary)

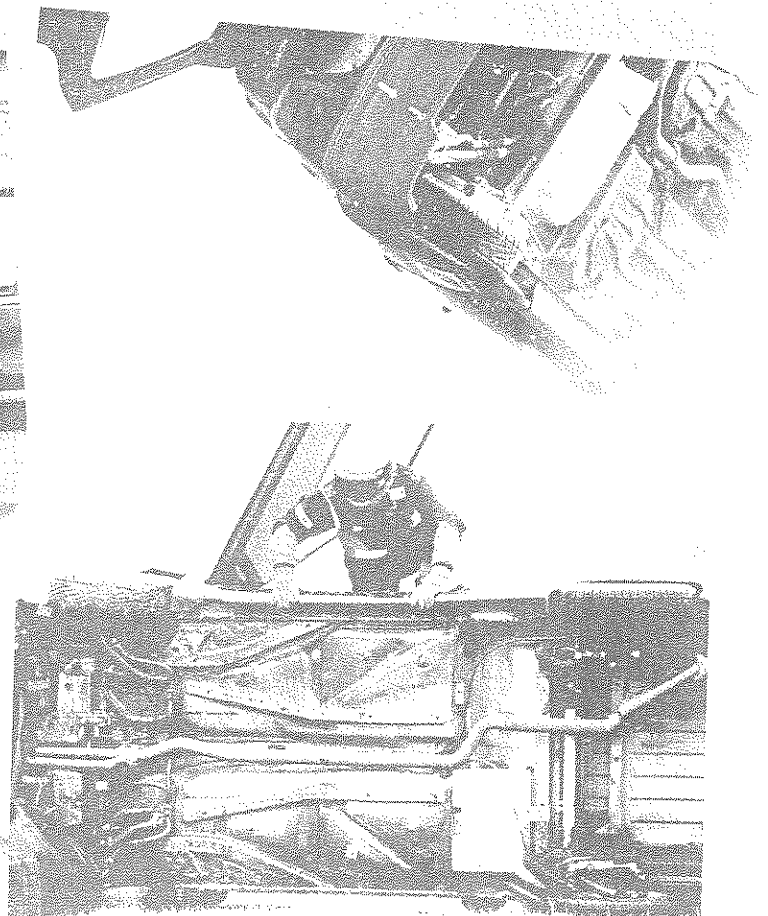

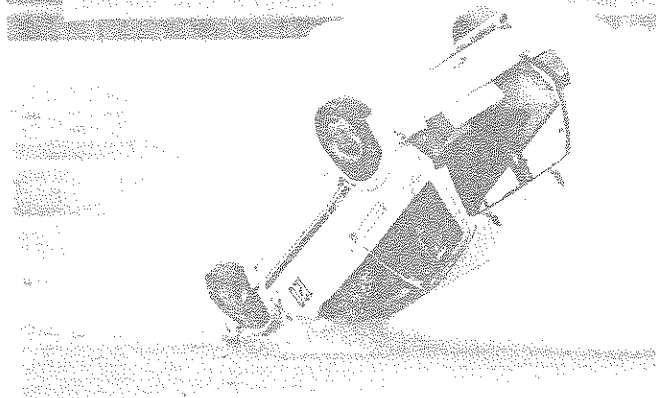

Stock Hatch Championship winners have been:-

1997 David Garthwaite	2002 Tony Scarlett
1998 Rob Carvell	2003 Paul Taylor
1999 John Gladman	2004 Craig Shepherd
2000 Jay Frost	2005 Darren Blumson
2001 Tony Scarlett	2006 Maurice Hayden

In 2004 class B, for cars which were available for sale in the UK in 1992 or earlier (but not necessarily built pre-'93), was introduced for the older cars in the championship; winners have been:-

2004: Stuart Pearson. 2005: Steve Drewery. 2006: Chris Petto.

750 Motor Club A7 Triple Challenge

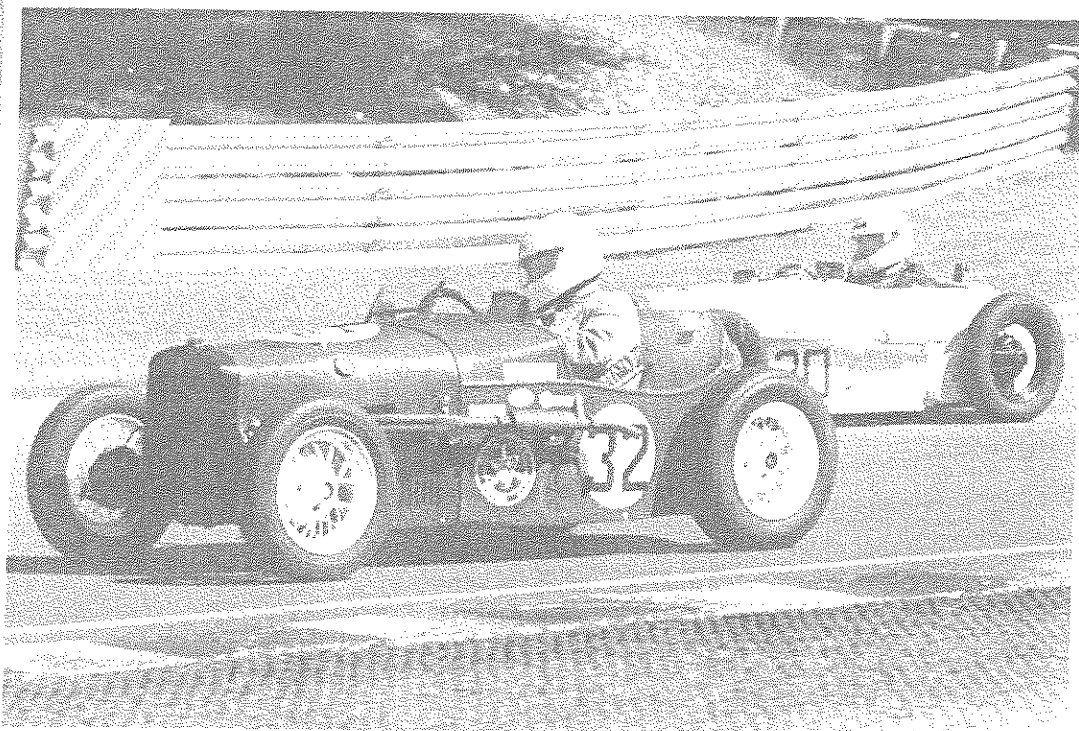

Sevens first raced in 1923. Bill Boddy kicked off the Seven Fifty Motor Club in 1939 and the first Austin 7 race (Formula 750) took place at Silverstone in 1950.

Raceworthy components became scarce and Austin 7 racing declined during the late 1970's.

The **Austin 7 Triple Challenge** is held in celebration of those pioneering days. Austin 7 racers from all eras are once again on the track displaying the traditional spirit of friendly, but resolute, competition. Handicap results are calculated after the finish by applying a performance-related allowance to each car.
