Henry Recruitment Thoroughbred Sports Car Championship

The MGCC Thoroughbred Sportscar Championship started life as MGA racing back in the early 1970's. During the 80's it was decided to invite other British sportscars of the 50's, 60's and 70's to join and the format was set for the great inter-marque racing you see today. In the first year of the new format we linked with the Aston Martins and saw the beginning of many years of spectacular grids and races.
