750 Formula is for lightweight two-seater sports racing cars and was originally introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the budding amateur to design and build his own car, and to develop his skills in chassis/suspension design and engine tuning within carefully controlled limits; alternatively there are often suitable cars available for sale from within the formula.

Reserves will practice, but only race if accepted entries withdraw or fail to qualify.

The ACS Limited Kit Car Championship is for road legal front-engined Kit Cars. The engine regulations allow considerable freedom whilst there are limitations on the design of rear suspension and transmission. There are two classes, up to 1660 cc and 1661 - 3500 cc. ALBION CONSULTANCY SERVICES of Dunstable specialise in computer and management consultancy, in development of hardware and software and in Japanese language consultancy.

The 1998 ClubSports 2000 Championship is for two seater sports racing cars, run in 2 classes. Class A allows the amateur designer/constructor virtually unlimited freedom of chassis and suspension design and uses either the 1300 Xflow or 1600 CVH engine; proprietary front and rear engined cars are permitted, subject to age restrictions, such as Mallocks and Sports 2000 cars; also included are Sports 2000 cars and Multisports cars. Class R is for the Radical Clubsports 1100, running with a standard Kawasaki 100cc engine & gearbox.

Reserves will practice, but only race if accepted entries withdraw or fail to qualify.

The ACS Limited Kit Car Championship is for road legal front-engined Kit Cars. The engine regulations allow considerable freedom whilst there are limitations on the design of rear suspension and transmission. There are two classes, up to 1660 cc and 1661 - 3500 cc. ALBION CONSULTANCY SERVICES of Dunstable specialise in computer and management consultancy, in development of hardware and software and in Japanese language consultancy.

The 1998 ClubSports 2000 Championship is for two seater sports racing cars, run in 2 classes. Class A allows the amateur designer/constructor virtually unlimited freedom of chassis and suspension design and uses either the 1300 Xflow or 1600 CVH engine; proprietary front and rear engined cars are permitted, subject to age restrictions, such as Mallocks and Sports 2000 cars; also included are Sports 2000 cars and Multisports cars. Class R is for the Radical Clubsports 1100, running with a standard Kawasaki 100cc engine & gearbox.
