The 750 Trophy Championship is for Austin Seven based cars, supported by other cars of historic interest and similar performance. As in the former pre-war Austin 7 Championship, Austin Sevens will compete in three classes:- Austin Seven sports and racing cars, post-war specials and early 750 Formula cars with Austin Seven engines/gearboxes. In two further classes are cars from the old 1172 Formula along with vintage, PVT and historic cars such as 500cc Formula 3, MGs, Rileys, HRG, Jowetts and other similar vehicles.

The 750 Motor Club Locost Series was started in 1999 and is being promoted by the 750 Motor Club, with sponsorship from Haynes Publishing, to encourage newcomers to construct and race a car built to a standard specification, very much in line with the 'ethos' of the Club. The 'Locost' was originally designed by Ron Champion, a teacher at Oundle School in Peterborough, as a project for his technology pupils. Such was the success that over 50 have been constructed within the school, a very popular book has been published and it is intended that this should be yet another of the 750 Motor Club's formulae aimed squarely at getting people involved in Motorsport.

77	Graham Onion	Phantom P94	2000	Hixon	750

The 750 Motor Club Sports 2000 Championship is for front or rear engined two seater sports racing cars using a wide variety of engines (Ford Zetec, 1700cc Ford Xflow, Ford YAC, Ford 'Pinto', Vauxhall 1.6v 2 litre, Rover 1.600 'K' series and production motorcycle engines of up to 146 bhp). Cars may be converted Sports 200, Clubmans, Vauxhall Supersports or other proprietary makes, plus purpose-built specials such as the WEV. To help even-out performance differences there are minimum weights for each category and the top three in each race will be awarded ballast for future races.

The REMARC Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK.

97	D	Carolann Beck	TVR Tasmin 280	2800	Cardiff	750

Race 5 is classes A + D, Race 6 is classes B + C.

If there are 28 or less qualified there will be one combined race.

The H.R. Owen Roadsports Championship is the most varied and competitive sports car category in the country, attracting cars from five decades, over ten different manufacturers and has in excess of 110 eligible models of sports cars currently listed. With four carefully chosen class structures to ensure close competition for everyone, even cars from one-make series will find a place with more interesting competition. All cars must run on road legal tyres, but considerable engine tuning and modifications to suspension and brakes are permitted in classes A, B & C. Class D is for TVR Tasmins.

Demon Tweeks, Yokohama tyres and Cars & Car Conversions Magazine are the main sponsors for this year's Hot Hatch Championship which attracts a wide range of popular hatchback cars of up to 1600cc. Cars are allowed engine and suspension modifications, standard pattern brakes and all must use the Yokohama A032R or A510 'control' tyre. This together with a weight penalty for leading cars ensures close racing without excessive budgets.
