The 750 Motor Club Formula 4 Championship provides the technical sophistication of slicks and wings in an affordable single seater championship. Class A allows any design of chassis and caters for the designer/constructor as well as for cars converted from F3, FFord, FF2000 and Formula Renault; all must use either 1300 Xflow or 1600 CVH Ford engines. Class B is for FF2000 cars built prior to October 1983, class C for pre Dec '80, running to the former FF2000 regulations.

The REMARC Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races. For 2000, the championship has support from REMARC TECHNOLOGIES who specialise in computer software training courses.

# H.R. OWEN

H.R. OWEN PLC

The H.R. Owen Roadsports Championship is the most varied and competitive sports car category in the country, attracting cars from five decades, over ten different manufacturers and has in excess of 110 eligible models of sports cars currently listed. With four carefully chosen class structures to ensure close competition for everyone, even cars from one-make series will find a place with more interesting competition. All cars must run on road legal tyres, but considerable engine tuning and modifications to suspension and brakes are permitted in classes A, B & C. Class D is for TVR Tasmins.

The 750 Trophy Championship is for Austin Seven based cars, supported by other cars of historic interest and similar performance. As in the former pre-war Austin 7 Championship, Austin Sevens will compete in three classes:- Austin Seven sports and racing cars, post-war specials and early 750 Formula cars with Austin Seven engines/gearboxes. In two further classes are cars from the old 1172 Formula along with vintage, PVT and historic cars such as 500cc Formula 3, MGs, Rileys, HRG, Jowetts and other similar vehicles.

Owen Roadsports Championship is the most varied and competitive sports car category in the country, attracting cars from five decades, over ten different manufacturers and has in excess of 110 eligible models of sports cars currently listed. With four carefully chosen class structures to ensure close competition for everyone, even cars from one-make series will find a place with more interesting competition. All cars must run on road legal tyres, but considerable engine tuning and modifications to suspension and brakes are permitted in classes A, B & C. Class D is for TVR Tasmins.

The 750 Motor Club Formula 4 Championship provides the technical sophistication of slicks and wings in an affordable single seater championship. Class A allows any design of chassis and caters for the designer/constructor as well as for cars converted from F3, FFord, FF2000 and Formula Renault; all must use either 1300 Xflow or 1600 CVH Ford engines. Class B is for FF2000 cars built prior to October 1983, class C for pre Dec '80, running to the former FF2000 regulations.
