The 750 Motor Club Locost Championship was started in 1999 and is being promoted by the 750 Motor Club to encourage newcomers to construct and race a car built to a standard specification, very much in line with the 'ethos' of the Club; it is yet another of the 750 Motor Club's formulae aimed squarely at getting people involved in Motorsport.

# The Donington Park Racing Association Club

---

*Donington Park's  
independent  
supporters' club*

The DPRAC is pleased to support today's 750 Motor Club meeting at Donington to the tune of £1,000 – most of which will be awarded in prize money to class winners.

The money comes from the Club's Race Fund, which is used to help encourage "grass roots" motorsport at Donington Park. Later this year the New Era motorcycle meeting will also benefit.

The DPRAC is also committed to the safety and welfare of competitors, and through its Welfare Fund (a registered charity) has provided thousands of pounds' worth of rescue and medical equipment for use at the circuit. The Club also helps injured competitors – those who are unfortunate enough to be hospitalised are visited by DPRAC committee members early in their stay and are given £100 in cash to help their immediate needs, or to help their family and friends to visit.

DPRAC members themselves benefit from concessions on admission, discounts on racing tuition and other goods and services, and opportunities to ride and drive the circuit. The Club also has a private enclosure at the top of the Craner Curves (although today they are based in the Grand Prix Suite instead). And all for just £13 a year, or £21 for joint membership.

To find out more, visit us in the Grand Prix Suite (above the pits), or contact the club secretary, Tony Gamble, at 80 Baldocks Lane, Melton Mowbray, Leics. LE13 1EW (telephone 01664 852902, e-mail [tony@dprac.co.uk](mailto:tony@dprac.co.uk)).

Demon Tweeks, Yokohama tyres and Cars & Car Conversions Magazine are the main sponsors for this year's Hot Hatch Championship which attracts a wide range of popular hatchback cars of up to 2000cc. Cars are allowed engine and suspension modifications, standard pattern brakes and all must use the Yokohama A032R 'control' tyre. This together with a weight penalty for leading cars ensures close racing without excessive budgets.

Cars may be converted Sports 200, Clubmans, Vauxhall Supersports or other proprietary makes, plus purpose-built specials. To help even-out performance differences there are minimum weights for each category and the top three in each race will be awarded ballast for future races.
